Using a mixture of storytelling, humour, magic and film, Beverley candidly explores her progression through grief and healing.

Following the loss of her son Jess through suicide, she invites us to share in her new reality of unpredictable triggers, clichés and flashbacks, and the surreal humour she deploys to ‘make it through’.

Deeply compelling, Finding Magic is a story of loss, longing, love and laughter.

Sponsored by

Rosedale
FUNERAL HOME

After the performance, there will be a Q&A session plus a panel discussion with Lucy Coote, Beverley Bishop and Robin Watson.
